

## **NOTICE**

As a result of the ongoing threat from COVID-19, and out of concern for the health of our members, it has been decided to **immediately suspend all SCSMGC operations for the foreseeable future.**

The Savage Creek golf course and driving range will still be open.

The staff in the pro-shop has agreed to block the Monday 8-10 am tee times for SCSMGC members. If you wish to play golf at on Monday mornings, call the pro-shop directly at 604-278-7500 and inform them that you are a member of the Savage Creek Senior Men's Golf Club. They have agreed to give us preferential bookings. We can call up to eight days in advance. Any tee times not taken by the weekend prior to Monday will be released to the general public.

Out of respect and concern for the people in the pro-shop please pay by credit card only and don't loiter in the building. Out of respect and concern for your playing partners please maintain social distancing and consider not handling the flag stick on the green, leave it in the hole.

It is all of our hopes that this situation does not last too long and our very strong hope that none of us contracts this virus.
