CHECK IN PROCEDURE - Allan Wrightson, Club Starter: 604-992-4297

1. Arrive 30 minutes before your tee time. Pay your Green Fee at the Cashier Hut near the first tee and receive a slip from the Cashier.
2. Fill in your name and # on the slip and proceed to the Starters table near the first tee.
3. Bring the slip, to the Starters table. Once checked in place the slip in the container provided. Starting March 14 please include a toonie for KP's.
4. Advise the Starter re: your intentions to play golf on the following two Mondays.
5. If your name is first on the web-list you are the designated card captain and you will be given a scorecard by the Starter at check-in. You will maintain scores for the foursome and return completed scorecard to the Driving Range Cashier at the end of the round.
6. Please DO NOT congregate at The Starter Table following check in.
7. To cancel refer to "Booking and Cancellation Procedures" on the website. Regarding "No-shows", we have made a commitment to the golf course to fill our allotted time. No-shows are really frowned upon and could result in a financial penalty by the golf course. However, we know life happens and you may not be able play golf that day for medical or other emergency reasons. All we ask it that you inform the club, either by emailing the Scheduler prior to game day or by calling the starter phone on game day.

SCORE CARDS - Jan Weber, Handicap Manager

Please check your first and last name including your player's number on the scorecard. After finishing the game, the score cards need to be placed inside at front desk of the driving range. Please do not enter your final scores on the card. Jan will collect the cards later and will enter the scores into the computer in order to maintain your handicap.

If you require clarification regarding score cards and handicaps, please contact Jan.
