

ENTERING SCORES

In order to maintain our handicaps, all scores must be entered into our game management system each week. This can easily be done on a home computer, smartphone or tablet, preferably on the same day as play, or by using the club laptop, which will be available on game day. There are 2 types of scores – regular play, where the only prizes are KPs, and Tournaments where prizes are more substantial. The scoring procedure is similar for each, but the tournament scoring has a few extra steps.

Scoring

1. Scoring will be done by the 4-some captain. There is no longer a need to put completed score cards in a box in the proshop, except for our 6 tournaments.
2. Please have a member of your foursome attest (sign) the scorecard
3. Go to the club website <https://scsmgc.com> or to <https://ehandicap.net>. where our log in id is scsmgc. Consider adding an icon for both on your home screen.
4. If using our website, click on the menu.
5. Click on “view handicap.”
6. If you are using ehandicap.net, you will be on the scoring screen on entry.
7. Find the first member of your foursome. Use the search (circled) on the right side – just start typing a name and the player should pop up. Click on the name.

The screenshot shows a mobile browser interface for the eHandicap Network. The search bar is circled in red. Below the search bar is a table of members with columns for Member, ID, Home Course, Home Tee, Index, and Handicap. The table lists 18 members, including Ail, David, Akselrod, Sid, Arnett, Barry, Asuncion, Oscar, Babuk, John, Bailey, Bob, Baker, Bill, Bishop, Pelham, Brown, Bob, Burr, Bob, Butterworth, Bob, Carnuth, Bill, Cassidy, Dick, Chaboyer, Bob, and Chambers, Jay.

On your home course (SavCr), a score of 73 would lower your Club Index to 13.3. Based on your 365 day low index of 12.8 on 28-Aug-2023, your Club Index cannot rise above 15.8.
